

Seafood and Aquaculture in Focus: *Resources, Processing, Biotechnology, Safety & Health*

AFTC 2010

www.aftc.ca

September 7 -10

Why Sponsor an Event at AFTC?

- This is a Premiere Event – Providing you with exposure to a focused audience from across Canada, United States, Europe, and Asia
- Gain further recognition as a leader in the field of seafood and aquaculture processing technologies
- Opportunity to introduce new projects, equipment and procedures to an international audience via promotional/informative material in delegate packages
- Acknowledgement of sponsorship within the conference program & technical proceedings publication
- On-site signage recognizing you as a sponsor
- Acknowledgement of sponsorship and web link on the AFTC website
